Magical Story Bag

Stories can tell us the answers to many questions our imaginations ask!

The following to be used in review of the program

- What makes the Pied Piper *pied*?
- What is a prop?
- What is a pantomime story?
- What do we do when we mime?

- The Pied Piper
-  The rats followed the Pied Piper to the river

Stories and Reading are magical!

Every story needs my imagination!

- The flute belongs to the Woodwind family
- Flute begins with F

- In my imagination I can be anything I want to be.
- In my imagination I can go anywhere I want to go.

Music has **Rhythm**
Our Hearts have **rhythm** too!

How many pipes on the Pan Pipes?

We can use **math** to help us learn many new things!

Can we count in more **languages** than one?

We can use **science** to help us understand how the Pan Pipes make their sounds!

A big instrument can make very low sounds.
A small instrument can make very high sounds
