To Whom It May Concern,

"It is my pleasure to write a letter of recommendation for Donna Wissinger and Joy Myers. The Altoona Symphony Orchestra has had the honor of performing with both of these ladies who are very talented accomplished musicians."

During our fall concert in October of 2011, both Donna and Joy performed for our Young People's Concert series in which our local theatre opened up its doors for more than 800 elementary school children to come and watch. Donna and Joy performed their *Artz Out Loud* program. The children were all mesmerized by the music and history story that was told. The feedback and enthusiasm that we have received from the school districts is incredible. We can't wait to have them back in our area again!

The Young People's Concert was then followed a few days later with our season concert titled "Revolution" in which Donna and Joy performed with the Altoona Symphony Orchestra. This program was attended by over 600 of our symphony subscribers and guests and was also extremely well received.

We have had much inquiry into when the ladies will be back to perform with our symphony. We know that is it just a matter of time until we work our schedules and programs to come together again.

Please feel free to contact me any time either by phone or email to answer any questions you may have with regard to the quality and character of these two fine musicians.

Best regards,

Chrissey S. Wagner
