Dear Donna,

Thank you so much for the wonderful program at the Basilica School and Tennessee Williams Theater last week. Our students truly loved the Artz Out Loud program on Florida history. Enclosed you will find some thank you notes written by our 5th Grade students. It will be quickly obvious that they enjoyed both your in-school presentation with Joy Myers and the concert you did in conjunction with the South Florida Symphony Orchestra. The combination of the two programs created an ideal learning experience. Not only were the presentations delightful artistic events, they dovetailed nicely with our students' social studies curriculum. They were just enthralled.

Thanks to you, Ms. Myers, Ms. Lorber, Maestro Alfonso, and the symphony musicians for all you do to bring music to our community, especially the children. We look forward to our next opportunity to hear you in Key West.

Sincerely,

Eileen Dolan-Heitlinger

Dear Ms. Donna, Ms. Joy and the South Florida
Symphony Orchestra,

Thank you so much for coming to Key West
to share your outstanding music! I love the
way that Ms. Donna plays the flute and the
way Ms. Joy plays the piano but when ALL the
instruments are put together it sounds amazing!

Last Tuesday when you came to visit us you
didn't only teach us stuff, you also gave the
5th grade a review for social studies because
we had a test about that kind of
history. (his-story) Not only are you great
musicians, but you're also great actors!
Once again, thank you so much and I
hope to see you again next year.

Sincerely,
Emily Gould

Dear Ms. Donna, Ms. Joy and
the South Florida Symphony
Orchestra

Thank you for coming to our
school and showing us stuff about
Florida and the history of it, I
really liked the music that you
performed for the schools. My favorite
section was the woodwind. I also
liked the slideshow. My favorite
part of the slide show was when
Key West popped up. The best part
of the performance was the
music. I want to be a musician
to some day.

Sincerely,
Tony

Dear Ms. Donna, Ms. Joy, and the South Florida Symphony Orchestra,

Thank you so much for coming to Key West to share your beautiful music with us. I am so grateful for opportunity to see the history of Florida put to music. I like how Ms. Joy plays the piano. It sounds so beautiful. I also like how Ms. Donna plays the flute. The pictures that Bartram made were so amazing and beautiful. The Orchestra sounded so nice when they all played together. It was the best thing I've ever heard. My favorite instruments were the violin and the piano. I think that the violin sounded amazing when it started to play.

Sincerely,

Dear Mrs. Donna, Mr. Joy, and
the Dothern Florida Symphony
Orchestra,

Thank you for inviting us
to see the symphony today.
I like the way you played the
music so you could bring us
into a certain persons world. I
very much enjoyed the symphony
and like how you demonstrated
sounds and families of each
instrument in the orchestra.

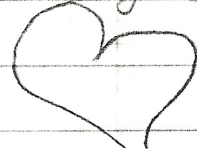

Thank You
